ITEM 3

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Genl. & Rev. Deptt. Bangalore.

Sir,

In continuation of my letter No.1389 of the 27th instant with reference to Para 5 G.O. No. R. 6368 - 409/Agri. 128-11-1 of the 6th instant, I have the honour to suggest that Government may permit me to postpone the preparation of a prospectus for the proposed Agricultural College until my return to Mysore in January 1913. During my absence, I expect to make the question of Agricultural education in Germany, Canada, the United States and Japan my special study and it is quite likely that such a study may lead to my proposing some changes in methods or matter as regards ~~to~~ instruction in agriculture, information with regard to which should appear in the prospectus. As I am returning to Mysore by the beginning of January, I shall be able to prepare and submit for approval the prospectus before the end of that month, and it can be printed and issued by the middle of February. As the College will not open before the first of June, I believe this will leave ample time for the receiving of applications from prospective students.

I have the honour to be,
Sir,
Your most obedient servant

Leslie C. Coleman

Officer in charge.

SUBJECT No. 123.

Establishment of an Agricultural College at Mysore.

Messrs. A. Ramanna, Yedatore taluk; Siddalingappa, Gundlupet taluk; D. Srikanta Rao, Devanhalli taluk; Chikguruvareddi, Bangalore taluk; Ramanujiengar, Gubbi taluk; and Singri Nanjappa, Tumkur District Board.

Summary of discussion.—The establishment of an Agricultural College in Mysore for the training of students in Agricultural Science and in the handling of improved machinery and appliances is an absolute necessity, the more especially, as Mysore students are not admitted to the Coimbatore College unless a special premium of Rs. 250 or Rs. 300 as it were, is paid to them.

Reply of Government.—Under consideration.
